**Computer-Aided Dispatch and Records
Management System**

Request for Proposals

Amendment 3

This Addendum forms part of the Proposal Documents and must be acknowledged with the Bidder's sealed bid proposal as required by those documents.

Vendor Question:

Please specify the number of sworn officers, dispatchers/telecommunicators, records personnel, and supervisors who will use the system, as well as the number of dispatch positions and mobile units/vehicles.

Answer:

25 Officers (Authorized), 6 Dispatchers which include records personnel, Supervisors are included in officer and dispatch count (9 sworn supervisors/1 dispatch supervisor), 2 dispatch consoles, 0 MDTs, but the system must have an app or technology for officers to have a mobile handheld device.

Vendor Question:

Please specify the total number of employees who will need access to the Records Management System (RMS).

Answer:

31

Vendor Question:

RFP page 11 states, "The Bidder must describe data discovery, cleansing, mapping, conversion, validation, and migration capabilities for existing CAD, RMS, attachments, users, configurations, and historical records."

Please identify the current CAD and RMS (vendor/product), the approximate number of years and volume of records and attachments to be migrated, and whether historical data must be fully converted or may be archived for read-only access.

Answer:

CAD: Cushing Technologies has been used since 2010, approximately 640,000 records.

RMS: ODIS (Oklahoma Data Information System) has been used since 2023, approximately 5000 records.

Historical Data must be fully converted and accessible.

Vendor Question:

RFP page 11 states, "The Bidder must describe ... hosting responsibilities, backup and recovery objectives, uptime commitments, and available service-level remedies."

To clarify, does TAIT prefer a Cloud (vendor-hosted SaaS) solution for this project?

Answer:

Cloud based solution

Vendor Question:

RFP page 9 states that TAIT may "request interviews or presentations" and may "award without discussions if determined to be in TAIT's best interest."

Will TAIT hold vendor demonstrations as part of the evaluation process?

Answer:

TAIT will not be holding vendor demonstrations as part of the evaluation process.

Vendor Question:

RFP page 7 states that submission of a proposal is evidence the Bidder "is willing to accept all terms and conditions of the proposed contract, and will execute the contract in the form contained in the Proposal Documents." Additionally, RFP page 9 lists a Bidder that "has placed conditions on or qualified their proposal" as a cause for rejection.

The Proposal Documents do not appear to include the Agreement. Please provide the contract form TAIT intends to use.

To clarify, will TAIT consider exceptions to the RFP terms and conditions?

Answer:

Contract will be provided in a separate amendment.

Exceptions will be answered in Amendment 5.

Vendor Question:

RFP page 11 states, "The RMS must also be compatible with AXON products such as evidence.com." Please identify which Axon products TAIT currently uses and the level of integration expected.

Answer:

TAIT currently uses AXON body cameras and evidence.com digital evidence/asset management. The expectation would be to access the digital evidence directly from case records through an API.

Vendor Question:

RFP page 11 states, "The Bidder must describe supported APIs, interfaces, integration methods...." Please list the specific interfaces TAIT requires (e.g., state NIBRS repository, OLETS/NCIC, court/e-citation systems, airport access control/badging, CCTV, 911/phone system, Axon) and identify the current vendor for each.

Answer:

TAIT requires state NIBRS, OLETS/NCIC, AXON and e-citation system. The Oklahoma State Bureau of Investigation is the repository and authority for NIBRS and OLETS/NCIC. The e-citation system is new. AXON is described above.

Vendor Question:

RFP page 2 states, "Sealed bid proposals received earlier than ninety-six (96) hours, excluding Saturdays, Sundays, and holidays, before the time set for opening ... will not be considered and will be returned unopened."

Please confirm that proposals delivered by courier between Friday, October 23, 2026 at 1:00 PM CDT and Thursday, October 29, 2026 at 12:00 PM CDT will be accepted.

Please specify the number of printed copies required and whether an electronic copy is required or permitted.

Answer:

Proposals delivered by courier between Friday, October 23, 2026 at 1:00 PM CDT and Thursday, October 29, 2026 at 12:00 PM CDT will be accepted. Delivery must be during regular business hours, 8:00am – 4:30pm, Monday through Friday. Delivery is not accepted on the weekends.

3 copies are required. One paper copy marked "Original." One paper copy marked "Copy." One electronic copy being electronic on a USB Drive. Copies shall not be emailed.

Vendor Question:

RFP page 7 states the proposal "must be signed and dated in ink." Additionally, RFP page 7 states that "any electronic signatures appearing on this or such other documents are the same as handwritten signatures."

Please clarify whether electronic signatures are acceptable on the proposal and non-notarized forms.

Answer:

Electronic signatures are acceptable.

Vendor Question:

RFP pages 1, 8, 16, 20, and 27 reference solicitation numbers F27-TAPD-01, F27 - TAPD-01, FY27-045-01, and FY27-TAPD-01.

Please confirm the correct solicitation number to use on the envelope label and all forms.

Answer:

Answered in Amendment 2. The correct number is F27-TAPD-01.

Vendor Question:

RFP page 23 references Exhibit B, Reference Sheet.

Please clarify where this form is located.

Answer:

Answered in Amendment 1. Vendors may submit references in their own format and form.

Vendor Question:

RFP pages 6 and 27 state that vendor questions must be received by October 22, 2026 at 12:00 PM CDT, seven (7) days before the proposal deadline.

Will TAIT adjust the questions deadline to Wednesday, October 14, 2026 and issue a final addendum by Monday, October 19, 2026? The intent of this request is to allow TAIT adequate time to review questions and issue an addendum for vendors to, in turn, have time to incorporate clarifications into their proposals before submission.

Answer:

Dates are firm and cannot be adjusted. Questions are answered as received. All answered questions can be found on the Tulsa Airports website, www.flytulsa.com as amendments to the RFP.
