

ADDENDUM NO. 1 TO REQUEST FOR SEALED COMPETITIVE PROPOSAL  
FOR AUTOMATIC TELLER MACHINE PLACEMENT AND OPERATION

August 24, 2023

**Questions Received**

1. Can you please provide the existing ATM transaction history separating surcharged (foreign) and non-surcharged (on-us) withdrawal counts per ATM? ***See attached.***
2. Can the ATMs be bolted to the floor or wall? ***TAIT will not allow the ATMs to be bolted to the floor. One of the existing ATMs is installed in a wall space; however, that would be the only location where wall installation would be acceptable without review of plans.***
